

Wildlife-Track Hunt

(North Bridge Trail)

Find and identify the painted tracks by placing the number found on the tracks in the space next to the animal name.

Write down any real wildlife tracks you find.

- | | | |
|-------------|--------------|-------|
| _8_ Beaver | _4_ Raccoon | _____ |
| _5_ Deer | _2_ Squirrel | _____ |
| _6_ Muskrat | _3_ Skunk | _____ |
| _1_ Rabbit | _7_ Turkey | _____ |

Tracks are painted on the top of concrete cap blocks set next to the trail.
Lettered posts are trail location markers and do not designate track locations.
