

Wildlife-Track Hunt

(North Bridge Trail)

Find and identify the painted tracks by placing the number found on the tracks in the space next to the animal name.

Write down any real wildlife tracks you find.

- | | | |
|-------------|--------------|-------|
| ___ Beaver | ___ Raccoon | _____ |
| ___ Deer | ___ Squirrel | _____ |
| ___ Muskrat | ___ Skunk | _____ |
| ___ Rabbit | ___ Turkey | _____ |

Tracks are painted on the top of concrete cap blocks set next to the trail.
Lettered posts are trail location markers and do not designate track locations.
